With so many options available it can be a challenging time: Westline College is here to help you achieve your ambitions.

Westline College is an excellent choice for you.

We now have an amazing landmark extension, a state-of-the-art Learning Resource Centre, a new seminar hall with the latest AV capabilities and a brand new computer lab.

At Westline College we are passionate about learning, teaching and its ability to transform lives.

Working closely with the community is our business and so is providing learning opportunities for all.

Our Aim

“To provide quality affordable education through syllabus literacy and shape an individuals personality through value added programs.”

We provide learning for every stage, up to university level. This is excellent news for you because we can offer progression routes from the first step of the learning process to a degree or employment.

Westline College is committed to giving you the right skills to get you to your next step, be it further study, university or a job. In today's tough economic climate, we'll help you to stand out from the crowd and we'll work with you to develop the employability skills you will need in your chosen career. To put it simply, Westline College will give you the edge you need to compete and succeed in today's world of work.

If you need any further information just get in touch, or visit us at our campus.

I look forward to seeing you soon.

Mr. Shamshad Ali - Chairman

About Westline

A nascent institute with a fresh vision to education. It stresses on innovative teaching methods with the aim of holistic development as a compliment to traditional classroom based academic coaching.

All of our courses are delivered by staff with a variety of educational and industrial experiences that will help you achieve and succeed in your personal and career ambitions.

Our Vision

Transforming young generation into responsible citizens through quality education & practicing ethical values

Our Mission

- Stress on building competencies and capabilities among students
- Shape individuals' personality through value added programs
- Expose students to eminent personalities for continuous inspiration

Our Values

- Discipline
- Integrity
- Responsibility
- Respect
- Collaboration

Westline College also works closely with employers and businesses to ensure that the work-related skills our students learn are the ones employers need. These courses are delivered in college and in the workplace.

Why Westline College?

We will give you every skill you'll need

Not only those skills that you'll need to get your qualifications but also those you'll need for the world of work.

Excellent progression to university

Right after elementary schooling, we have got all the options for excellent progression to a bachelors, technological or master level degrees.

We've got a great range of courses

There's something for everyone at Westline College through our partner colleges, so you can progress easily and achieve your very best.

Great links with employers

Whether it's for a work placement, or a talk on how to get into a particular field of work, we've got the industry contacts. In the past, students from our partner institute KNSIT have been placed in Infosys, IBM, Wipro, Dell, TCS etc to name a few.

We've got amazing facilities

No matter what course you choose, we've got everything you'll need, whether it's a well equipped lab, unlimited high speed internet or a seminar hall with latest AV technologies.

Our lecturers are industry experts as well as being excellent teachers

They know what you really need to do to get your dream job, and will guide you every step of the way.

You'll get personalised support

From meetings with your personal tutor to support with financial issues, we're here for you, every step of your journey.

Location

Situated at one of the most sought after locations in North Bangalore, it is surrounded by many professional educational institutions. Its close proximity to international airport and train links are a compliment.

Which Course?

Here are some tips to make the right decision:

1. Identify your preferred learning

| Pre University (+2) Courses * | | |
|-------------------------------|------|------|
| Science | PCMB | PCMC |
| Commerce | HEBA | CEBA |

Degree Courses

| | BCOM | BBM | BCA |
|------------------------------|--|---|---|
| Eligibility | 10+2 pass | 10+2 pass | 10+2 pass |
| Duration | 3 years | 3 years | 3 years |
| Example subjects | Financial Accounting, Corporate Accounting, Services Marketing | Financial Management, Organisational Behaviour, Environmental Science | C, C++, JAVA |
| Who is it best for? | Students who like to pursue a career in Accountancy and Auditing. | Students aspiring to be the future managers and business leaders | Aspirants with science background and who have a keen interest in solving real world problems through technology. |
| Further opportunities | C.A (Chartered Accountancy), Cost & Work Accountancy (ICWA) M.Com, MBA, industry employment etc. | CFA (Chartered Financial Analyst), CS Company Secretary), MBA, industry employment etc. | Engineering (BE), Masters (MCA), MBA, industry employment etc. |

2. Get as much advise as possible from teachers, career advisers, parents guardians and friends. You can also call our information team on 08105567481, to discuss your options.

* Through KNS PU College

Making you employable

Whatever your ambition, you can be sure you'll get the skills you need to succeed.

Supporting your journey towards employment – whether it's directly following your course or through further study – isn't just about helping you gain a qualification.

Throughout your time with us, we will ensure you gain the right skills to help get that dream job. To achieve this, employability skills have been built into every course to help you develop both personally and professionally.

Links with employers

The Careers and Employability team works closely with employers to gain current information about the labour market, job opportunities, graduate schemes and internships for students. Whether it's for a work placement, or a talk on how to get into a particular field of work, we've got the industry contacts. In the past, students from our partner institute KNSIT have been placed in **Infosys, IBM, Wipro, Dell, TCS** etc to name a few.

Every opportunity to get involved

Our Learner Involvement team will make sure you're involved in College life to the full, whether it's as a course rep or as part of our citizen training workshops planned to start in association with some of the NGOs.

Emphasis on soft skills

We have noticed over years that a major hindrance in a student's academics or his/her eligibility to fit in a job role in the industry are their soft skills like time keeping, speaking, presentation, dressing and social skills. We aim to involve third party specialist

consultants to conduct fixed number of hours of such trainings.

Guest lectures from eminent personalities

Meeting inspiring people leaves a lasting effect on our minds. We arrange guest lectures from eminent personalities who have achieved great things in their fields may it be education, technology, research or business. This is an excellent opportunity for students to meet, ask questions and learn from their experiences.

Our Commitment to you

A safe and welcoming environment

The move from school to college can seem a bit daunting and we have a responsibility to make sure that every single student is able to learn in a safe and happy environment.

The College has a high standard of safety for students, staff and visitors. Students are protected from any kind of ragging issues and are asked to remove hats, hoods and caps while in the College building. We have a team of friendly and helpful staff who have a constant presence on site.

Equality and diversity

Here at Westline College we believe in respecting and treating one another fairly regardless of age, gender, nationality, race, disability, marital status, socioeconomic status, religion or beliefs.

The College is committed to promoting equality of opportunity and to eliminating unlawful discrimination. We are also committed to social cohesion and value the benefits that diversity brings to both the College and the wider community.
